

LSC Community Stewardship Report – 2020/2021

Introduction - Lutheran Services Carolinas represents the coming together of two long-standing health and human service organizations, Lutheran Services for the Aging (LSA), founded in 1960 to serve North Carolina seniors, and Lutheran Family Services in the Carolinas (LFS), founded in 1976 to serve children and families. The two organizations affiliated in 2011 and adopted the name Lutheran Services Carolinas in 2012.

Senior Services - The introduction of that new name also included new names for some of the older senior service programs, once known as “Lutheran Homes,” which now operate as “Trinity” senior living and/or senior care communities.

Each year, LSC senior services reports its Medicaid-related financial community benefit to the State of North Carolina. For FYE 9-30-20, LSC provided \$13,479,004 in unreimbursed health care. Additionally, LSC donated \$126,332 in volunteer services across the State of North Carolina. Combined, 12.69 percent of its total revenue is provided as unreimbursed services.

LSC senior services opened its first ministry, a Hickory nursing home, in 1962 and eventually expanded its services to include both frail and active seniors. Fast forward to 2020 when LSC operated 11 “Trinity” operations – seven nursing homes, three retirement offerings, and a free-standing assisted living residence, providing 433,251 days of care and services to 2,585 senior adults.

LSC has continued to expand its home- and community-based services. Trinity at Home offers non-medical home care and nursing services, caregiver support, and information and referral services. LSC continues as a partner in the administration of the Rowan County Family Caregiver Support Program and has since 2011.

LSC also partners in four North Carolina PACE (Program of All-Inclusive Care for the Elderly) initiatives. Those include PACE@Home in Hickory and Senior TLC in Gastonia. In 2020, LSC began partnering with PACE of the Triad in Greensboro and PACE of the Southern Piedmont in Charlotte. PACE is a Medicare program and Medicaid option for North Carolinians age 55 and over who are in need of skilled nursing care but wish to receive that care in their own homes.

In Cary, NC, LSC also collaborates with SearStone, a non-profit continuing care retirement community, and through a grant process is able to help direct a portion of SearStones’ proceeds to benefit low-income elders in Wake County. Since its inception in 2014, the

Searstone/LSC Community Benefit Committee has distributed more than \$3.3 million in grant funds.

In 2020, LSC completed its purchase of the Dallas High School Apartments, a renovated school that offers affordable housing to low-income residents of Gaston County.

LSC senior services is ranked among the top 65 not-for-profit multi-site senior living organization in the United States. In 2020, LSC's senior services operating revenue was \$124,321,239. LSC provided 433,251 days of residential services to 2,585 North Carolina seniors.

Over the years, significant updates have been made to all LSC facilities. Trinity Place, Albemarle, completed its new assisted living addition which opened early in 2020, with 13 private and 12 semi-private assisted living residences.

In 2020, LSC continued the development of a new active senior living community on the Intracoastal Waterway in Wilmington. That operation, Trinity Landing, will serve approximately 220 residents when fully occupied. Trinity Landing is on track to open in 2022.

Child and Family Services – In 2020, the child and family services side of LSC had a budget of more than \$23 million and served about 3,500 individuals. Called an outstanding provider by the Council on Accreditation (COA), LSC's child and family ministry was accredited by that independent not-for-profit social services organization in 2017.

The Transitional Foster Care for Unaccompanied Children program, which began in 2017, has now served 133 children and will soon be able to care for 24 children instead of 12.

In 2020, LSC's foster care programs in North and South Carolina helped 424 children.

In 2020, LSC continued its partnership with Inspiritus, the organization formed by the merging of Lutheran Services of Georgia and Lutheran Services in Tennessee, to help North Carolina flood victims with recovery and repair. LSC's disaster case management team continued to provide support in North and South Carolina to survivors of those affected by Hurricanes Matthew, Joaquin and Florence. Across the Carolinas, 1,526 individuals in 625 families in the Carolinas were assisted by LSC's disaster services team.

In 2020, 70 families and 24 children were served through LSC's Special Needs Adoption Program. Nineteen adoptions were finalized.

LSC's refugee services program in North and South Carolina served 776 individuals in the Carolinas, including 38 new arrivals in North Carolina and 13 in South Carolina.

In 2020, Lutheran Services Carolinas created a program to assist victims of trafficking in North and South Carolina. The Trafficking Victim Assistance Program (TVAP) provides comprehensive

case management services to foreign-born survivors of human trafficking in the Raleigh-Durham area and the Midlands of South Carolina. The program also recently expanded to serve the Wilmington and Myrtle Beach areas. The only TVAP provider in South Carolina, LSC has helped more than 30 trafficking victims.

For the past several years, LSC has been helping those with traumatic brain injuries by working indirectly through the Wounded Warrior Project's Independence Program through its Home and Community-based Services program. The Wounded Warrior Project contracts with neuro Community Care, an agency based out of Wake Forest, NC. NCC serves as an intermediary between the WWP and LSC, which was chosen as a service provider because of its experience serving those with TBI. In 2020, LSC opened Moretz Manor, a new LSC group home for those with TBI.

LSC served 77 adults through its adult residential programs in North Carolina in 2020. In South Carolina, 82 adults were served in group homes and host homes, which are similar to foster homes but for adults.

Although the COVID-19 pandemic limited the ways in which LSC typically supports the communities in which it serves, the LSC ministry seeks to strengthen the communities in which it serves as indicated by the following:

ALL SERVICES

- Skilled nursing care in Albemarle, Hickory (2), Salisbury, Wilmington, Clemmons, and Winston- Salem
- Assisted living in Salisbury, Hickory, Arden, Albemarle, and Clemmons
- Independent living apartments and cottages (buy-in), Salisbury
- Independent living apartments (rental) in Arden and Clemmons

- Serve as a clinical training site and preceptorship site for Montgomery County Community College's Licensed Practical Nursing program.
- Partner with Stanly County School's training site to students in the SCS Transition Program.
- Participate in the Stanly County Schools "Senior Project" by "senior" high schoolers for "senior" adults
- Providing school supplies
- Mentoring college students
- Participate in career fairs at middle school, high school, and college levels
- Offer a Speaker's Bureau
- Mentoring children at risk
- Providing training programs for foster parents
- Providing RN and LPN clinical training site for colleges and community colleges
- Providing clinical sites for high school occupational training programs
- Providing vocational training sites for exceptional children's programming
- Providing service opportunities for a variety of school projects
- Providing on the job training for those with I/DD.

HEALTH EDUCATION AND SCREENING

- Educational health programs open to the public on issues relating to personal health, Alzheimer's, etc.
- CPR and First Aid training in various community locations
- Alzheimer's support groups
- Caregiver support groups
- Grief support groups
- Participation in local health fairs
- Information and referral program
- Blood pressure checks and health screenings

JUSTICE AND ADVOCACY

- Share information with constituents on important issues regarding Medicaid funding, refugee resettlement, senior services, and long term care, for example
- Member Rowan L.I.F.E (Life Improvement For Everyone)
- Participation in civic organizations such as Civitans, Rotary, Kiwanis, Altrusa
- Cultural competence training and awareness for residents, staff, and communities
- African Descent Strategy Team of the NC Lutheran Synod
- Member of N.C. Health Care Facilities Association
- Member of LeadingAge, state and national
- N.C. Journal of Medicine Editorial Board
- Member American Health Care Association
- Member of Lutheran Services in America
- Member of Lutheran Immigration and Refugee Service
- Member chambers of commerce across all service areas
- Member of other local and state committees and task forces
- Racial Justice Network

ENVIRONMENT

- Recycling programs
- Waste reduction program
- Ecologically sensitive decisions in construction and development projects
- Recycle computer/technology items
- Recycle medical equipment (wheelchairs, walkers, etc.)

SUPPORT SERVICES

- Food drives
- Clothing drives
- Blood drives
- Host Senior Games
- Provide meeting sites for various clubs, schools, and groups
- Host community disaster preparedness events
- Provide volunteer opportunities for the community
- Provide concert site for school performers, bands, and choirs
- Provide dress rehearsal site for symphony
- Host luncheons for area centenarians
- United Way Day of Caring
- Humane Society support
- Domestic violence shelter support
- American Cancer Society fundraisers
- Relay for Life fundraisers
- American Heart Association fundraisers
- Leukemia and Lymphoma Society fundraisers
- Alzheimer's Memory Walks

- American Red Cross Blood drives
- Alzheimer's Support Group host and sponsor
- Provide community service opportunities
- Stanly Community College Service Learning Programs (vocational training)
- Provide badge opportunities for scouting
- Stanly County Youth in Transition Program (employment training)
- Group Homes for the Autistic (employment and skills training)
- Stanly Partnership for End of Life Care
- Nursing scholarships
- Suzuki School of the Arts performance site
- *Bridges* programs to encourage students and classes to visit residents
- Adopt-a-Grandparent programs
- School supply drive
- Campbell's label collection for schools
- Bucket Brigade for disasters
- Christmas presents for needy children
- Voter registration program
- Provide meeting space for various groups, Rotary, Lions, Knights of Columbus, church groups, Girl Scouts, ombudsmen, community organizations
- Community service work program
- Thank-you meals for area emergency service personnel
- Collect and recycle used eyeglasses
- Donate walkers, wheelchairs, etc. to Salvation Army, others
- Donate Physician's Desk Reference books to nursing programs
- Donate medications to county community care clinics
- Provide snacks to hospital surgical waiting rooms
- Provide items to animal shelters

COLLABORATIONS

- LSC partners with St. Andrew's Lutheran Church and Bethany Lutheran Church in sponsorship of Lutherhaus, Inc., a 50-apartment HUD low-income elderly housing complex in Hickory.
- LSC is a co-managing director of the Dallas High School Apartments, which provides affordable housing for those 62 and older or 44 and older if disabled. The historic old school was repurposed in 2003 through an extensive renovation to provide affordable housing in the form of 32 apartments, with residents having access to plenty of common areas.
- LSC partners with Adult Life Programs, Inc. in ownership of an adult day care building on the campus of Trinity Village (Lutheran Home – Hickory).

- LSC partners with Lutheridge, Inc. in a land lease for Trinity View (Crescent View Retirement Center) on the Lutheridge campus.
- LSC has agreements with Salisbury Academy, Catawba College, Livingstone College, Hood Theological Seminary, Caldwell County Community College, Catawba Valley Community College, Stanly Community College, Stanly Early College, Forsyth Community College, Winston- Salem State University, Lenoir-Rhyne University, Kaplan University, and Forsyth County Schools, Wake Forest University, Salem College, Carver High School, St. John's Lutheran School (W-S), Atkins, Glenn, and West Forsyth High Schools to promote institutional and personal collaboration and friendship.
- Serving Cup, Raleigh, N.C., offers support to adults with disabilities including many LSC clients. One popular Serving Cup project is its Coffeehouse ministry, which offers adults with disabilities and their caregivers a place to enjoy entertainment and special events while connecting to local resources. The Serving Cup ministry was also key in the establishment of LSC's Green Level Apartments and the Whittecar group home, and has most recently partnered with LSC and Habitat for Humanity of Wake County to build independent living housing for adults with disabilities in Wake County called Building Independence.
- Rapid Resource for Families is a nonprofit organization created by Alexander Youth Network, Barium Springs Home for Children, Easter Seals UCP, and Lutheran Services Carolinas to help children transition from group homes to therapeutic foster care.
- The Lutheran Support Group of Gaston provides ongoing support for LSC in Gaston County through Mountain Ridge, a group home for adults with developmental disabilities in Gastonia. This coalition of 15 Lutheran Churches helps with maintenance and upkeep of the space and offers hospitality to residents through their congregations.
- LSC is a Lutheran Immigration and Refugee Service (LIRS) partner. LIRS has helped nearly 400,000 refugees build new lives in the United States since 1939 in conjunction with its nationwide network of local resettlement partners like LSC. Together with churches and community volunteers, refugees are receiving the support they need to find welcome and success in American communities.
- LSC is the lead agency for Lutheran Disaster Response in North and South Carolina. LSC facilitates disaster preparedness and disaster case management.
- LSC provides management services (operational, financial, and consulting) to GlenFlora, a skilled nursing home in Lumberton, NC. Under this arrangement, the administrator is an employee of LSC but all other staff remain employees of GlenFlora.
- LSC has entered into a partnership to provide support and assistance to Tsali Care Center, run by the Eastern Band of the Cherokee Indians in Cherokee, NC.
- LSC is partnering with Inspiritus, the organization formed by the merging of Lutheran Services of Georgia and Lutheran Services in Tennessee, to help North Carolina flood survivors with recovery and repair.

- In 2013, LSC entered into a partnership with Carolina Therapy Services to establish Trinity Rehab, a for-profit organization. Because half of Trinity Rehab is owned by LSC affiliated LSA Therapy, half of its profits are available to further the mission of LSC. Trinity Rehab provides speech, occupational, and physical therapy services to LSC senior services operations.
- LSC partners with four North Carolina PACE (Program of All-Inclusive Care for the Elderly) programs: PACE@Home in Hickory, Senior TLC in Gastonia, PACE of the Triad, and PACE of the Southern Piedmont.
